

## One Year Limited Warranty

Splendor Shower Door Co., an Ohio corporation (“Splendor”) warrants to the original user that the bath enclosures (the “products”) sold by Splendor shall be free from defects in material and workmanship for the period of one year from the date of original sale of the products by Splendor (“the limited warranty period”), subject to the conditions laid out here. This limited warranty applies only to the materials and workmanship supplied by Splendor.

This limited warranty does not cover defects in material or workmanship caused by improper installation of product, use of improper cleaning products or materials, or caused by accidents, owner or installer negligence, alterations, abuse, or misuse. This limited warranty shall only apply to defects in material and workmanship discovered during the limited warranty period and Splendor must be notified of the warranty claim within the limited warranty period.

This limited warranty is restricted to the repairs and replacement of the defective product originally sold by Splendor or, in Splendor’s sole discretion, the payment of the original purchase price to the original user of the product paid to Splendor. Splendor is not responsible for the removal and installation of a product requiring warranty service or the cost thereof.

In order to make a warranty claim, the original user shall notify a Splendor customer service representative at 419-866-5667 or the original user may send written notice to: Splendor Shower Door, Attn: Customer Service, 1133 S. McCord Rd., Holland, OH 43528

The notification shall specify the date the product was originally sold by Splendor and the nature of the defect on the material and/or workmanship. Based on such notification, Splendor may request additional information from the original user to verify the warranty claim.

The limited warranty shall be an exclusive remedy against Splendor relation to the products. This limited warranty is expressly in lieu of all other warranties, whether expressed or implied, including the warranties of merchantability and fitness for a particular purpose, and all other obligations or liabilities on the part of Splendor. Splendor neither assumes nor authorizes any other person to expand this limited warranty, or to assume for Splendor any other liability in connection with the products sold by Splendor. In no event shall Splendor be liable for special, direct, incidental, or consequential damages, including, but not limited to, loss of profits or damage to other property.

Laws and regulations governing the installation, design, and use of bath enclosures in building applications vary widely. Splendor does not have any control over the selection of product configuration, actual installation, operating hardware or glazing materials, and Splendor assumes no responsibility thereof.

Splendor dealers agree to furnish a copy of this limited warranty to all customers who purchase the products from the dealer.

Thank you for choosing Splendor Shower Door.
